Our News

- Circoflex Joins ERA
- Circoflex has recently joined the Electronic Representative Association (ERA) as a Manufacturer Member.
- The ERA is the premiere association for Manufacturers and Sales Reps in the Electronics Industry. It is a multi-national association with local chapters in the US, Canada, Mexico, Europe and Asia.
- The ERA has many forums and tools to help electronic Manufacturers and Sales Reps meet and germinate mutual beneficial partnerships.
- For more info on the ERA visit, <http://www.era.org/>
- Circoflex Updates UL File
- Circoflex has updated our UL listing to reflect changes to our product offering and our new facility. Our new location is now UL certified for Single-Sided through Multi-Layer flex and rigid flex PCB's from 1/2 Oz through 4 Oz Cu.
